Learn how to create accessible kitchens and bathrooms, countertops, advanced moldings, great renderings, lighting, and more!

Documentation material available in editable format to help build your curriculum

**These sessions are eligible for NKBA CEU credits.**

### NKBA Accredited College / University

#### NKBA Accredited/Supported Schools:

The School is required to sign a "20-20 Technologies Educational License Agreement" The contract will then be processed upon proof of NKBA Accredited/Supported status via a copy of the schools current NKBA Accredited/Support Certificate or written confirmation from NKBA on Supported Status. NKBA Accredited/Supported status required annually for maintaining FREE 20-20 Software benefits

**Further questions or interest in purchasing the 20-20 Design Educational Software please contact Maria Angelopoulos at 866-698-2020 ext 376 or via e-mail [maria.angelopoulos@2020.net](mailto:maria.angelopoulos@2020.net)**

## **MAINTENANCE & SUPPORT PROGRAM**

Maintenance & Support is FREE for NKBA Accredited / Supported schools.

Pro Rated Support applies on additional copies, thus the Maintenance and Support annual charge is adapted to the customer's anniversary date.

A telephone "Response Line" is available during the regular hours (8a.m. to 8p.m. EST); five days a week, except on holidays at 866-697-2020 or via e-mail **support@2020.net**

Annual Maintenance and Support fees will be invoiced automatically.

Note: Maintenance and Support must be taken for all classroom licenses

## **CONDITIONS OF USE**

Classroom licenses are to be used within the school only.

Eligible Students could purchase 20-20 Design Educational Version upon providing proof of enrollment in a minimum three (3) credit course; in 20-20 Technologies reasonable opinion, that above enrollment requirement is satisfied. If eligible, students could have their 20-20 Design Educational Software renewed at a cost of \$99.00

The license to use the 20-20 Design Educational Software shall begin and end with the given school year.

Graduate students that have purchased the 20-20 Design Educational Software could take advantage of the opportunity to trade-up to a 1<sup>st</sup> license of the 20-20 Design or 20-20 Design Essentials of Professional Version at a reduced cost. **REQUIREMENTS:** Student must return their educational device to 20-20 Technologies within 20 Days of trade-up agreement

This discount is not applicable with any other offer or promotion.

**Effective as of August 2011**  
**Costs, prices and other terms subject to change at any time without prior notice**  
**\*\*\*20-20 Technologies company policy subject to change without notice**  
**Taxes where applicable**
