A Blueprint for Arranging and Designing Kosher Kitchens in Today's Home

NKBA member, owner of Regency Designs & Interiors, and CKD **Rochelle Kalisch** will discuss Kosher Kitchen demographics (who has them, how many have them and where they live), Sabbath settings on appliances, designing for the kosher client and tips for making the most of limited food preparation space while maintaining biblical law. Participants will learn that placement and materials impact these unique spaces as much as the food prepared in them.

Kosher refreshments will be served.
